Keep Charlotte Beautiful, Inc. (KCB), offers numerous opportunities for volunteers who would like to make a difference creating a cleaner, healthier community in which to live.

Litter Reduction & Prevention

(Litter Abatement Committee) - Community cleanups such as the **Great American Cleanup** (Spring) and the **Coastal Cleanup** (September) are held annually to remove litter throughout Charlotte County. Three programs (**Adopt-A-Road, Adopt-A-Highway, and Adopt-A-Shore**) offer community volunteers the opportunity to help **KEEP CHARLOTTE BEAUTIFUL!**

Education

(Education Committee) - Education is a key factor in helping to Keep Charlotte Beautiful. KCB promotes environmental activities that help educate the public on current environmental concerns and activities associated with the goals of KCB. We promote the "3 R's" - **Reduce, Reuse, and Recycle.**

The annual **Environmental Calendar Art Contest** is open to all students (public, private or homeschool) in Charlotte County.

Through press releases, interviews, display tables at community events, public service announcements and public speaking engagements, Keep Charlotte Beautiful promotes environmental activities which help to educate the public on current environmental concerns and activities associated with the goals of Keep Charlotte Beautiful.

Beautification

(Beautification Committee) - KCB works with local neighborhood associations to improve their neighborhoods by not only keeping them litter-free but also through planting of **Liberty Gardens** and other beautification projects.

Fundraising, Memberships, & Sponsorships

(Fundraising Committee) - Memberships and sponsorships are an integral part of promoting KCB programs. A fundraiser in the form of a "Recycled Fashion Show" is held yearly.

KCB'S Mission

Keep Charlotte Beautiful's mission states KCB will improve the quality of life in Charlotte County through enhanced community awareness, education and public/private partnerships, while working together on projects that:

- **Keep our environment clean and free of debris;**
- **Beautify our neighborhoods and public spaces; and**
- **Instill pride and a sense of ownership to ensure effective, long-term results that protect and conserve the air, water and other natural resources of Charlotte County.**

You Can Help ...

Make Charlotte County an even better place to live, work and play. **Supporters** provide donations of funds or in-kind services. **Volunteers** participate in programs and activities. Our success is dependent upon **Community Partners.**

When you support KCB, you are making a personal effort to improve the quality of life in our community for everyone.

Be a Good Citizen ...

Litter wastes your taxes. Local, state and federal governments spend millions of dollars in tax money annually removing litter caused by illegal acts and carelessness. This is money needed for other important services. Help Keep Charlotte Beautiful by reporting those that litter to local law enforcement officials or Code Compliance (743-1247) Report: Time, location, vehicle description, license plate number (if possible) and description of litter item.

Community Service ...

If you require community service hours to qualify for the **Florida Academic Scholarship**, or meet a graduation requirement, etc., we have various projects to help meet your requirements.

BECOME A PARTNER!

Keep Charlotte Beautiful is a nonprofit organization committed to a cleaner, more beautiful community. KCB's programs are supported by the generous donations of businesses and individuals in Charlotte County. Please consider making a tax-deductible donation today!
